### Title of the project:

### Short description of project

The description should be brief and inspiring.

*Which important stroke challenge(s) does the project address?*

*Are the objectives innovative, ambitious and beyond the state of the art, and hence evaluate novel concepts and approaches or development across disciplines?*

*How will the results potentially affect future stroke research, the general public or healthcare?*

*Is the study feasible within the projected timeframe?*

### Description of the workplan, goals and challenges of project.

Give a clear indication of the step-by-step plan and the intended results over time.

Relation to the CONTRAST program: <http://www.CONTRAST-consortium.nl>

Explain how the stroke community would benefit from your project.

Explain how the proposal strengthens your own development (i.e. your curriculum vitae).

### Timetable of the project

### Financial planning

You can apply for a CONTRAST YTP-voucher of 50,000 euro. Justify the need for both personnel credits requested and the necessary materials and/or traveling costs.

Note: do not forget to add your CV separately.
